

Suction cup for slide and coverslip

- Suitable for slides and coverslips
- Non-scratch
- Avoids air bubbles in the mounting medium
- Robust

Cat. No.	Description	€ Excl. VAT
900515	Suction cup for slide and coverslip	NC -

Super glue for inclusion

- 3-tube pack
- Capacity of one tube : 1 g
- Ultra-fast : 10 seconds

Cat. No.	Description	€ Excl. VAT
999227	Superglue-3 liquid glue tubes 1 g - set of 3	NC -

EUKITT® Inclusion Balm

- Quick-hardening
- Solidification in 20 min.

Cat. No.	Description	€ Excl. VAT
045798	Inclusion Balm - 100 ml bottle	NC -
045799	Inclusion Balm - 250 ml bottle	NC -

Spatula for microscope slides

- Spatula for spreading samples on slides
- Smooth application without streaking
- Two sides: one with a right angle, the other with cut corners
- In translucent polystyrene

Cat. No.	Description	Units/box	€ Excl. VAT box
050125	Flex-Strips spatula for slides	50	NC -

EUKITT® microscopy mounting resins

EUKITT® Classic

- Solidification in 20 min.
- Good long-term preservation of samples
- No autofluorescence under UV light
- Ideal viscosity for coverslippers
- Refractive index $n[20\text{ }^\circ\text{C}] : 1.49$
- Viscosity : 500 - 750 mPa.s

Cat. No.	Description	€ Excl. VAT
124103	EUKITT® Classic - 100 ml bottle	NC -
124104	EUKITT® Classic - 250 ml bottle	NC -
124105	EUKITT® Classic - 500 ml bottle	NC -

EUKITT® neo

- Solidification in 20 min.
- Xylene-free formulation
- No autofluorescence under UV light
- Does not modify the structure or colour of the material under study
- Refractive index $n[20\text{ }^\circ\text{C}] : 1.48$
- Viscosity : 250 - 450 mPa.s

Cat. No.	Description	€ Excl. VAT
124100	EUKITT® neo - 100 ml bottle	NC -
124101	EUKITT® neo - 250 ml bottle	NC -
124102	EUKITT® neo - 500 ml bottle	NC -

EUKITT® UV

- Dry in 30 seconds under UV light
- Compatible with all types of tissues
- Neutral and colourless
- Contains no solvents or organic molecules
- Allows twice the number of samples to be processed with the same volume
- Refractive index $n[20\text{ }^\circ\text{C}] : 1.48$
- Viscosity : 350 - 550 mPa.s

Cat. No.	Description	€ Excl. VAT
124106	EUKITT® UV - 100 ml bottle	NC -
