

Nunc Polypropylene 96-Well Microplates

Plates for robotic systems

- **Well Capacity** : 0.5 ml round bottom or 0.35 ml conical bottom
- **Straight edges and long-skirted lid** for a better grip on robots
- **Available with barcode** on request
- **Round or conical bottom**
- **Autoclavable**
- **Temperature resistant** from -180 °C to +121 °C
- **Dimensions** : 128 x 86 x 14 mm

Various colours:

- **natural** : for sterile and non-sterile plates designed for screening, sample collection, combinatorial chemistry, liquid phase testing and sample storage;
- **black** : for **fluorescence** applications, reduction of background noise, minimal scattering of return light;
- **white** : for **fluorescence** and **luminescence** applications, maximum signal reflection, minimum autoluminescence and autofluorescence;
- red, blue or yellow: for sample banks, storage, sample collection.

Conical bottom Plates

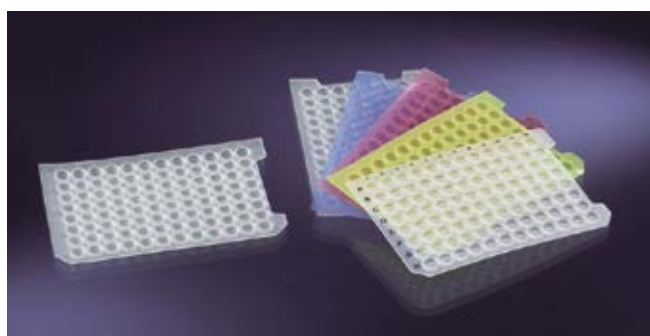

Colour	Natural sterile	Natural	White	Black	Red	Blue	Yellow
Packaging unit	20	20	20	20	20	20	20
Units/carton	120	120	120	120	120	120	120
Cat. No.	055528	055529	055530	055531	055532	055533	055534
€ ext.VAT/carton	NC -	NC -	NC -	NC -	NC -	NC -	NC -

Round bottom plates

Colour	Natural sterile	Natural	White	Black	Blue	Yellow
Packaging unit	10	10	10	10	10	10
Units/carton	120	120	120	120	120	120
Cat. No.	054309	054310	054311	054312	054314	054315
€ ext.VAT/carton	NC -	NC -	NC -	NC -	NC -	NC -

Flexible cover mats

Colour	Natural sterile	Natural	Blue	Yellow
Packaging unit	1	5	5	5
Units/carton	50	50	50	50
Cat. No.	054316	054317	054319	054320
€ ext.VAT/carton	NC -	NC -	NC -	NC -

Nunc polypropylene 384-well plates

- **Microplates Compatible with robotic systems**
- **Square wells with round bottom** for better sample access and optimal washing
- **Applications**
 - **Design and storage of DNA banks** for genetic testing and screening
 - **Synthesis and storage of compounds** for combinatorial chemistry
 - **Black and white versions** for fluorescence and luminescence methods

Standard plates

Well Total volume : 120 µl. Usable capacity : 10 to 100 µl.

Colour	Natural	White	Black	Blue
Packaging unit	10	10	10	10
Units/carton	120	120	120	120
Cat. No	054322	054323	054324	054326
€ ext.VAT/carton	NC -	NC -	NC -	NC -

Low volume plates

Maximum volume : 58 µl. Usable capacity : 35 µl.

Colour	Natural	Natural sterile	Black	White
Packaging unit	10	10	10	10
Units/carton	100	100	100	100
Cat. No	056271	056272	056273	056274
€ ext.VAT/carton	NC -	NC -	NC -	NC -
