

## WYPALL\* L wipers

Single-use wipers made of cotton wool for light or heavy wiping of non-aggressive products such as water or oils/greases, or certain disinfectants.

### > 3 ranges of wipers :

- > **ESSENTIAL** range in traditional wadding, for light and general wiping (L10: single layer, L20: double layer)
- > **EXTRA** range : 1 or 2 layers for light and general wiping. AIRFLEX wipers are more resistant and absorbent than traditional wadding
- > **ULTRA** range : L30 wipers, 3 layers in AIRFLEX materials for top wiping of the range
- > The L40 range is double re-creped for a delicate and highly absorbent wipe (contains latex)

### Centrefeed reels
